

Follow the steps and you will be up and running shortly.

Step 1

If you have a Tiger licence voucher – claim it [here](#)

Step 2

Download the Admin app [here](#) –(Windows, MacOS and Linux).

Step3

Run the Admin app installation and log in with the credentials that have been sent by Tiger via email (it might be in the spam folder)

Step 4

In the Admin app, download the application for your Philips displays.

(10BDL3051T chose Android 4 and for 10BDL4151T chose Android 7)

Step 5

Install the application into the Philips display(s)

Please, see page 3 in the [manual](#) or the [Tiger Setup videos](#)
